Tech Tools

**Scopia/Remote Proctor:** Do not use Chrome. Instead, use Firefox and allow the plugin to run. **Skype for Business (Microsoft Lync):** Use your VUNetID@vanderbilt.edu as USER ID. Your Vanderbilt email address is your sign-in name. The password is your e-password.

Select the product you need help with:

**Computer**
- Conferencing
- Skype for Business (Microsoft Lync)
- Scopia
- Networking
- Security
- Settings
- Software
- Video
- Digital Signatures

**Course Management**
- Clinical Log
- Blackboard
- YES
- Mobile Learn App
- Viewing Articles from Eskind
- Biomedical Library
- Posting Links from Eskind
- Biomedical Library
- Posting Ovid-based Articles to Bb
- How to Save VoPPT to MP4 format
- Kaltura Video Uploader

**Electronic Library**
- Digital Library
- Ovid
- Tutorials
- UpToDate

**Email/VUNetID**
- Email
- VUNetID

**Remote Proctor**
- FAQ
- Purchasing
- Technical Support
- Testing Policy
- User Group

**Turning Point**
- Students
- Purchasing
- Registration
- Troubleshooting
- Support
- Instructor/Presenter

**Slate**
- Administrator
- Log in
- Manual

**Support**
- Directory
- Lab Schedule
- FNIC Video
- Kasaya
- Help Ticket
- TeamViewer
Network

• Vanderbilt Wireless Configurations
  – 244FH, Scot Loerch & Maurice Johnson

• Home Requirements
  – High Speed Internet Access
  – Satellite service not recommended
  – 3G service not recommended
Web Browsers

- Various applications work best with different browsers
- Check Tech Tools to see which is recommended for each software application
- No one standard browser works everything!
Conferencing

- Skype for Business (Microsoft Lync) – communication tool that combines voice, video, teleconferencing, and instant messaging
Scopia

- Requires webcam and headset, plus stable Internet connection
- Videoconferencing – does not have telephone call-in feature like Skype for Business (Microsoft Lync)
Social Media

http://web.vanderbilt.edu/resources/social-media-handbook/

Social Media Handbook

- What is Social Media?
- How Vanderbilt is Using Social Media
- Important Policies – Read These First
- Do You Really Need a Social Media Account?
- Getting Started
- Tell Us About It!
- Best Practices for a Successful Social Media Presence
- Contacts and Resources
- Appendix A: Social Media Strategy Worksheet
- Appendix B: Setting up a Facebook page
- Appendix C: Setting Up a Flickr Account
- Appendix D: Creating a Twitter Profile
- Appendix E: Wikipedia Best Practices
- Appendix F: YouTube
- Appendix G: Creating an Instagram account
- Social Media Icons

Social media has changed the way we communicate – both as an institution and as individuals. With tools such
Conclusion

• There will be a lot of informatics tools available at VUSN in order to make you the most informatics savvy nurses in the world!

• Remember that the Frist Nursing Informatics Center is here to help you in that quest……
